# OUR FINAL WAVE

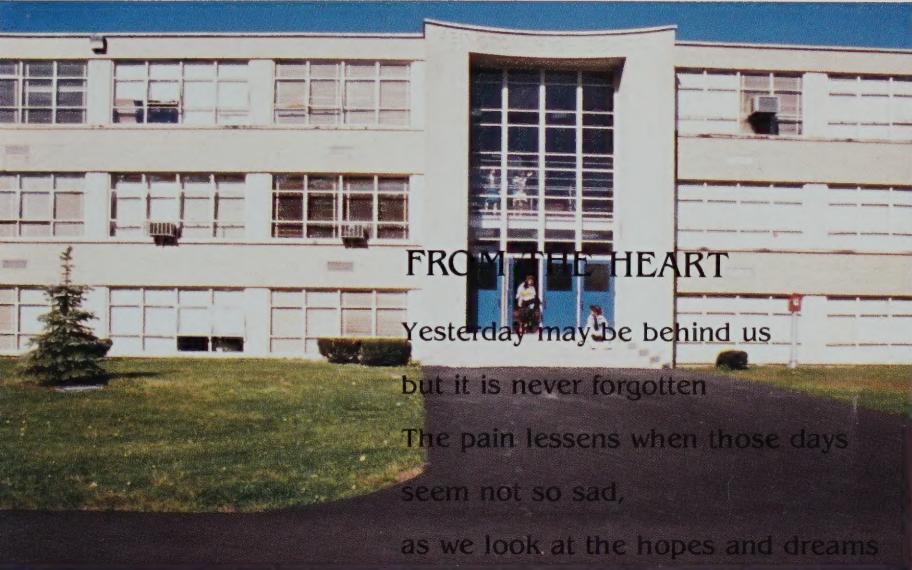

THE CLASS OF 1990

# DEDICATION

Mr. and Mrs. David Gilman

We, the class of 1990, would like to dedicate "Our Final Wave" to Mr. David Gilman. He gave to us time and effort far beyond what was asked of him. His spirit and pride were felt by all. We extend our warmest thanks and appreciation to Mr. Gilman for making our high school days a total success.

## FROM THE HEART

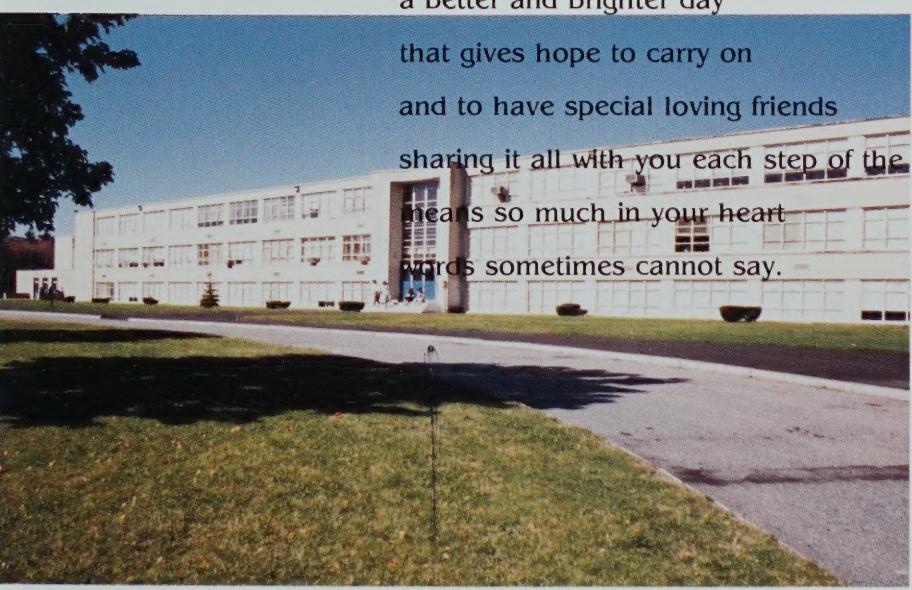

Yesterday may be behind us  
but it is never forgotten  
The pain lessens when those days  
seem not so sad,  
as we look at the hopes and dreams  
we've struggled to achieve

that have become realities in our lives.

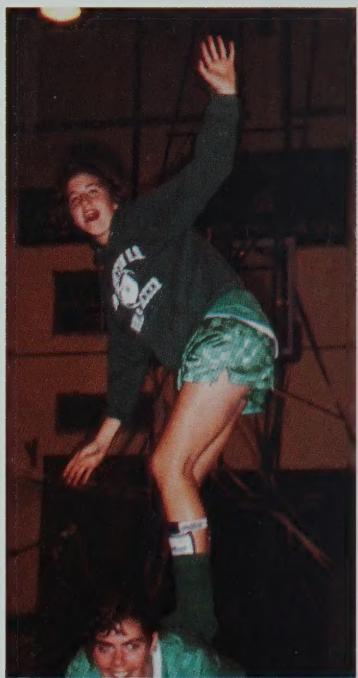

Today we build upon the changes  
and with the challenges  
many of life's difficulties ourselves  
to reach our new dreams  
of who we want to become

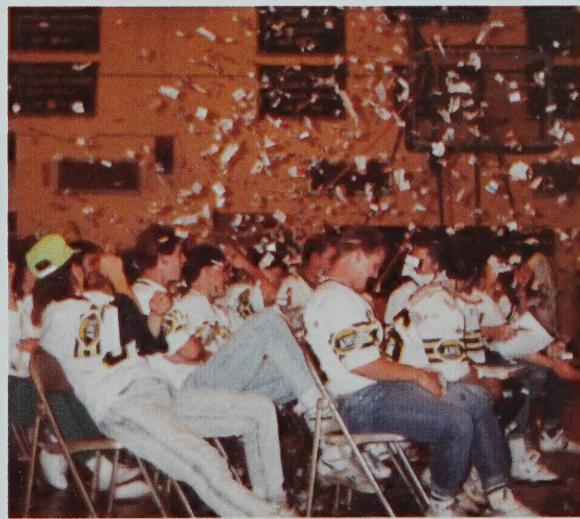

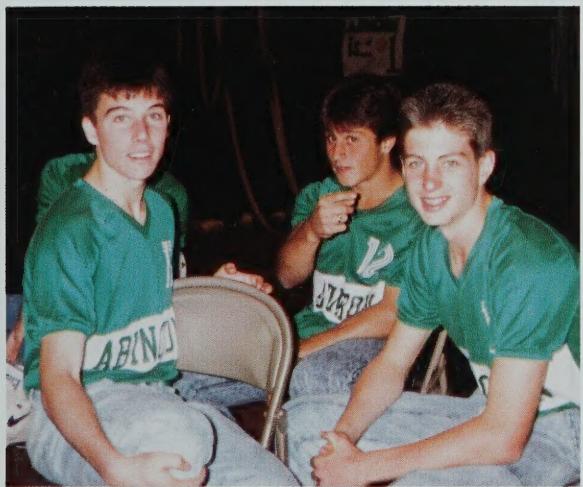

The hopes and dreams for tomorrow  
keep our spirits alive  
when we know it will bring  
a better and brighter day

that gives hope to carry on  
and to have special loving friends  
sharing it all with you each step of the way  
means so much in your heart  
words sometimes cannot say.

## PRESIDENT'S MESSAGE

Looking back over the four years we have spent at Abington High School, I see how special these times will be in our future. As we look back, we can see how these memories will influence us later on.

Remember all the obstacles you have triumphed over, whether in school or out. Recall all the good times you have spent with your friends. Remember one good quality in everyone in the class and reflect on how it has influenced your life. Put all this in a corner of your mind and save it. Then one day when you flip through these pages, it will be like opening a treasure chest of memories.

Also reflect on the other times spent here. Recall how divided our class has become and profit from it in the future. Be your own person, set up your own goals and live by them. Don't let the "cliques" run your life. Never change just because others want you to. Experience, don't reject, new things. You may discover something you like.

I know each of you have something special inside of you. When life offers you that chance, take it! I hope you succeed. Perhaps someday, when we have learned how to use these gifts to the fullest, we will have set the steps for world peace. I wish the class of 1990 the best of luck.

Sincerely,  
Jason Macbeth Pendergast

# ADMINISTRATION

Paul E. Byron, Principal

During the years following high school graduation, you may look forward to growing in many different dimensions — intellectually, socially and emotionally. Some of this growth will be rewarding and some painful. You will quickly experience one particularly effective stimulus to personal growth: there will be no one to stand between you and the consequences of your actions. I know that you look forward to the challenges of adult life.

On behalf of the faculty, administration, and entire staff of Abington High School, I wish you a happy and rewarding life that will have dignity and meaning for you.

## S/SGT. RICHARD A. FITTS

The class of 1990 would like to take this moment to remember Staff Sergeant Richard A. Fitts. After twenty one years of mixed emotions for the Fitts family, they can now rest knowing that their son is finally home. On January 13, 1990, this Green Beret was honored with the highest military service in Massachusetts. Thousands of people paid their respects by marching along side of him to Mt. Vernon Cemetery, where he rests in peace.

# SENIOR YEAR

1989-1990

CELEBRATING

Senior Year had finally come. We elected Jason Pendergast as our President, Shawn Donovan as Vice-President, Alyssa Clifford as Secretary and Allison Taylor as our Treasurer. On October 7, with the direction of our class advisor Miss Nisby, we held our Homecoming Dance. Despite losing the football game everyone had a great time at the dance, including our Homecoming Queen Gail McGowan.

The girls' and boys' soccer teams both made it to the tournament, and all of the other sports teams were full of spirit. We kept busy all year with college applications and we knew May 17 was just around the corner. It was still hard to believe we were seniors and this was our last year. The class became much closer and we made stronger friendships with each other.

# JUNIOR YEAR

1988-1989

Junior year finally came and everyone was really excited to be an upperclassmen. We elected as president: Gail McGowan, Vice-President: Shawn Donovan, Secretary: Alyssa Clifford, and Treasurer: Allison Taylor. We sponsored Carnation day and held a Bowlathon under the direction of Mr. David Gilman.

On May 5, 1989 we put on our prom dresses and tux's and went to the prom held at the Pembroke Country Club. With the theme "Hold on to the Night". Everyone had a great time including our prom Queen Kerrianne MacDonald and prom King R. John Damon. We were sad the year was over, but we were now looking forward to our Senior Year.

# SOPHOMORE YEAR

1987-1988

As we entered our Sophomore year we elected, President: Larry Boyle, Vice-President: Shawn Donovan, Treasurer: Rosemary Veazie, And Secretary: Karianne MacDonald. Our sophomore advisor was Mr. Corcoran, who helped us raise money by selling candy. Not only did we get fat but our bank account got mighty plump too!!

The Green Wave Girls Soccer team in the fall lead us to the tournament, along with the baseball team.

When spring rolled around we hosted the Hawaiian Dance with the Coats providing us with entertainment. We watched the Juniors prepare for their prom and we helped them by ushering the Grand March. We loved watching all of the excitement, but we were anxious for our Junior year to come.

# FRESHMEN YEAR

1986-1987

As we entered Abington High School for the first time we experienced feelings of enthusiasm and nervousness. Our first act as freshmen was to elect Larry Boyle, Shawn Donovan, Rosemary Veazie, and Kerrianne MacDonald as our class officers. Along with the guidance of Mr. Louis, our freshman year went smoothly.

Everyone became more comfortable with our new surroundings as the year passed, and we all looked forward to moving up to the second floor.

The girls' soccer team gave us something to cheer about as they advanced all the way to the state championship game before losing 1-0. Both boys' hockey and girls' tennis captured us with their tournament births.

# IN APPRECIATION

As editors of the 1990 yearbook Shari and I would like to take this opportunity to thank Mrs. Shepard. Without her time and devotion of guiding us through these last six months the book would never be what it is today.

Thank you for all your support. It was very much appreciated.

With much love,  
Andrea and Shari
